

CRAZY

Why cryptocurrency gambling?

- Gain access to a multi-billion dollar market which is growing faster than traditional online casinos
- Cryptocurrency gamblers are high value, with first deposits significantly larger than the average
- Blockchain casinos currently attract more than 30,000 weekly active users - and that number is increasingly quickly

Your gateway into emerging markets

The Crazy8Token is the leading payment solution for casinos and their customers in emerging markets around the world.

Delivered by a global team of iGaming, blockchain and payments experts, Crazy8Token can help your brand increase traffic, improve retention and gain incremental revenues.

Crazy8Token is powered by the CasinoCoin blockchain, the fastest and most scaleable of its kind for the gaming industry. With low fees and up to 1,500 transactions per second, there are no limits with Crazy8Token.

For casinos

- Access to a ready-to-go global player pool via the CR8 Wallet
- The lowest transaction fees around - less than 0.25 CSC (*currently \$0.00009 per transaction for all deposits and withdrawals*)
- Quickly scale your operation via exclusive OTC buy options off market
- Market to a crypto gambling community of more than 2,000 players
- Our team of industry experts will work closely with you to deliver a world-class product that meets your needs
- Zero chargeback costs and zero fraudulent transactions

For the player

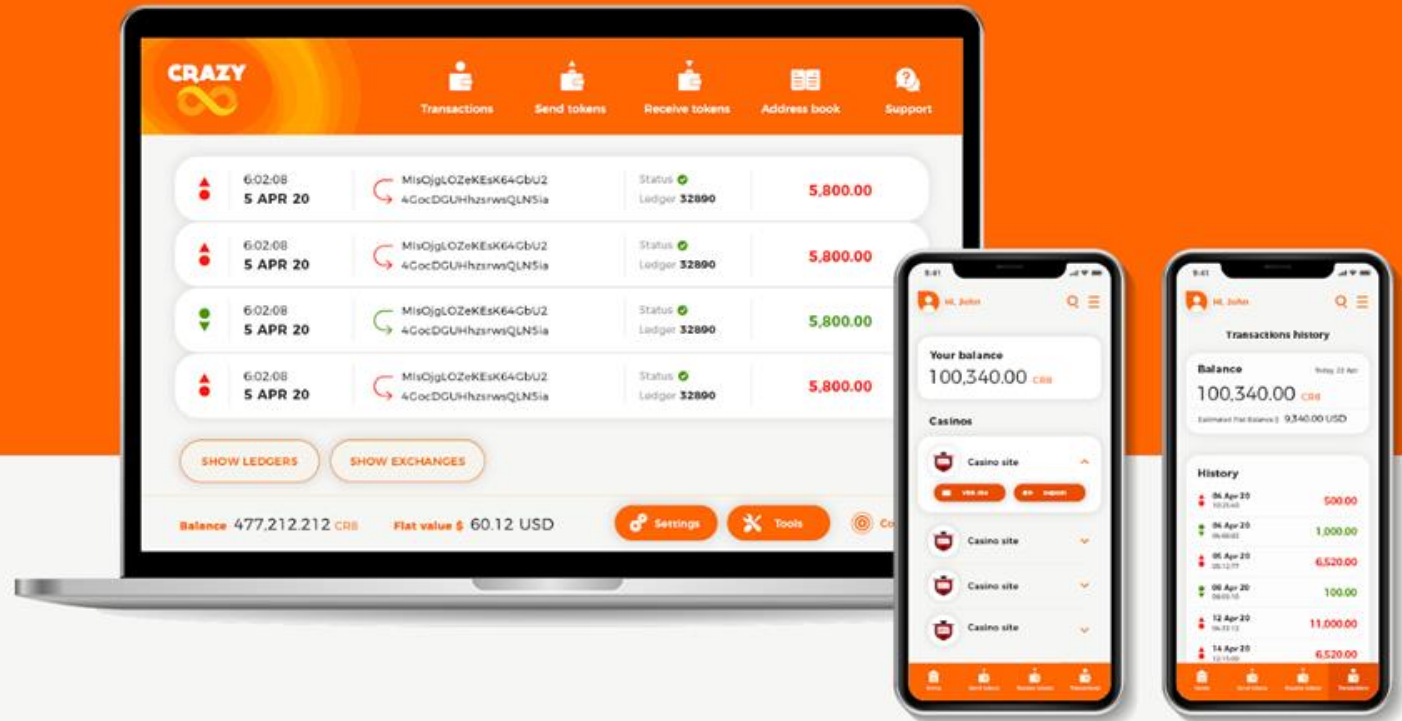

- Fully functional wallet to safeguard all users' funds
- Instant withdrawals and deposits to multiple casinos and gaming platforms
- Funds for multiple operators controlled, secured and tracked via a single personal wallet
- Full blockchain traceability using the CasinoCoin ledger, building greater trust
- Access to a marketplace of premium casinos and content
- Seamless onboarding so customers can be registered and playing at your casino within two minutes

In addition...

- Use us as an affiliate as well as a technology provider. That way, we are incentivised to send users directly to your website
- Use Crazy8Token to power a bespoke loyalty and VIP program. Our token can replace existing rewards schemes as a simple way to improve user retention
- Let us offer your players lucrative deposit and welcome bonuses to incentivise players to spend more time at your casino

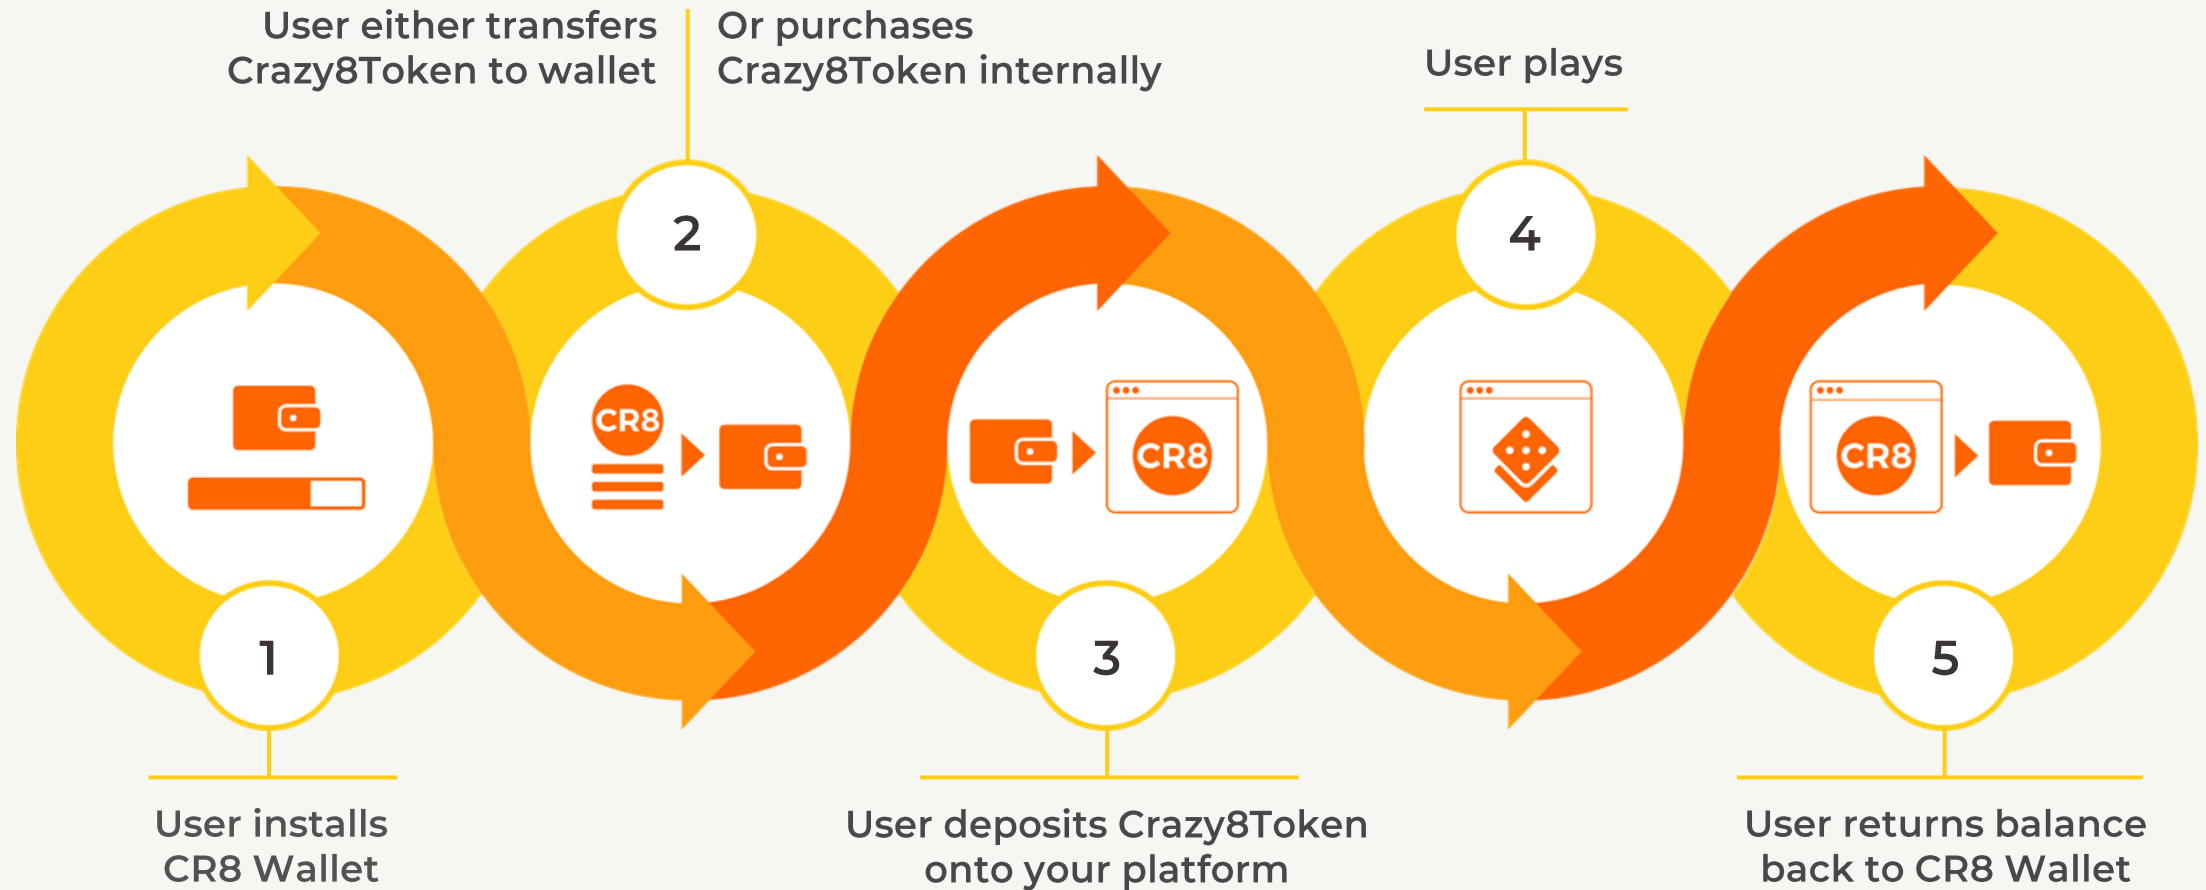

Meet the CR8 Wallet

- Near instant deposits and withdrawals, typically taking just 3-5 seconds to confirm. Your users will be playing, not waiting around
- Immutable and fraud-resistant transactions records stored on the blockchain and easily accessed within the log

- In-app links to traffic customers directly from the wallet to your platform. For those who opt in, push bonuses and promotional material to players within the wallet
- Fiat pairing within the app to seamlessly onboard the largest possible audience and allow players to deposit and withdraw without the need for external partners
